SKILLS

- HTML5
- CSS3 & Sass
- Javascript
- SQL
- React
- Adobe Photoshop
- Canva

EDUCATION

- UC Irvine | Human Biology B.S.
- CareerFoundry | Fullstack Development

I am an aspiring web developer that has experience working in the healthcare and digital design field. I have a strong passion for Front-End Development, and my work is centered around pixel perfect attention to detail. I'm devoted to writing clean, modular code following best-practice conventions.
